SUBJECT: Award of Contract for the Waterline Replacement from One Million Gallon (MG) Reservoir to Anderson Way

## **RECOMMENDATION**

It is recommended that the City Council award the contract for the Waterline Replacement at the One Million Gallon Reservoir to Anderson Way.

## **BACKGROUND**

The section of pipeline from the 1 MG reservoir to Anderson Way was installed in 1956. The pipeline has experienced numerous leaks, requiring pipeline replacement. The City mailed letters to three local contractors requesting for price quotes to remove and replace 200 linear feet of 8" waterline and install new 8" gate valve.

## **ANALYSIS**

The City received two price quotes from two contractors. El-Co Contractors provided the lowest bid of \$13,510.

## **ENVIRONMENTAL**

None.

## **FINANCIAL IMPACT**

Funding will be funded from Account No. 65-7020-7530 (Replace Pipeline from Zone 3)
